Should this clause become operative and the vendor be required to repair or replace any equipment or any part so guaranteed, a new guarantee period of one (1) year shall become effective for those items so repaired or replaced dating from the time of their acceptance.

In the event of failure on the part of the vendor to replace or put in first class condition any such articles within 30 days from date of notice, the County may have the work done by others and charge the cost to money due, or that may become due to the vendor. All deletions in the price list must be initialed by the person submitting the bid. The successful bidder is to furnish on request three (3) additional copies of the catalog and price list. Failure to submit a catalog and price list with bid may result in rejection of bid.

8. A request to substitute a new price during the period of the contract will be considered only if submitted to the Chief Purchasing Agent in writing.
